

***Pasadena Bruins and the Pasadena Buddhist Temple  
Safety Standards  
Effective as of 10/10/22***

As we work together to safely re-open the gym to recreational and social activities, the health and well-being of all our visitors is of utmost importance. We will be following the CDC guidelines in conjunction with the City of Pasadena's Public Health protocols and will continue to update these parameters and subject to change. Outlined below are the safety measures that have been implemented and your cooperation and compliance with these are of utmost importance for the safety of all. Thank you for your ongoing support.

**Cleaning and Sanitation:**

- All four doors should be left open when feasibly possible during the use of the gym to increase air circulation.
- Sinks are available in the male and female bathrooms for hand washing purposes
  - Whenever hands are visibly spoiled or after use of the restroom, handwashing must be performed. Handwashing should be performed for at least 20 seconds and include all surfaces of the hand and fingers.
- Alcohol based hand sanitizers and sanitizer wipes will be available in the foyer of the gym.
- It is each team /user's responsibility to wipe down all "high touch" surfaces at the end of each event/practice.
  - High Touch surfaces are those such as but not limited to:
    - Handles, doorknobs, faucets, etc.

**Physical Distancing**

- It is highly recommended to always attempt to remain > 6 feet apart and if that is impossible to maintain, then masking is highly recommended.

**Visitor Expectations:**

- If a visitor is displaying or feeling symptoms of illness such as but not limited to any of the following, they must be sent home immediately and not allowed to enter:
  - Fever, cough, sore throat, congestion, stomach upset/GI issues, muscle/body aches, headache, loss of taste and/or smell, etc.
- It is expected that all visitors will follow these health and safety guidelines and those who do not will be asked to immediately leave the facility.

If at any time, either the Pasadena Bruins or the Pasadena Buddhist Temple are made aware that the above are not being followed, the situation will be reviewed, and a determination will be made regarding future use of the facilities.
